

CURRICULUM VITAE

Brent Harvey, RLA CID CLIA

Education:

BS Landscape Architecture

Minor in Irrigation Design

California State Polytechnic University, Pomona 1991

Registration:

California Registered Landscape Architect #3879

Certification:

Irrigation Association – Certified Golf Course Irrigation Designer

Professional Affiliations:

American Society of Irrigation Consultants

Irrigation Association

Golf Course Superintendents Association of America

Golf Course Builders Association of America

Years Experience: 22

History

Brent Harvey is the only registered Landscape Architect practicing golf course irrigation design. His unique degrees in Landscape Architecture from the Cal Poly School of Environmental Design and Irrigation Design from the Cal Poly School of Agricultural Engineering make Brent uniquely qualified to solve complex irrigation challenges.

Brent is a pioneer in the golf course irrigation field. He was the first to adapt the use of survey grade GPS equipment to irrigation design implementation. The irrigation systems created with this process of "surveying" in the intended sprinkler head layout results in unequalled irrigation uniformity. Brent's irrigation systems are the most efficient in the industry, consistently providing the superintendent with the tools to create the best playing conditions possible.

Brent's projects include some of the top rated golf courses in the world, including Bel-Air Country Club, The Riviera Country Club, The Valley Club of Montecito, and many more.

Brent's experience in the Coachella Valley include Cimarron, Escena Golf Club, Ironwood CC, Madison Club, Morningside, Porcupine Creek, Stone Eagle, Tamarisk CC, Thunderbird CC, Vintage Club, Trilogy at La Quinta, and many others.
